Administrative Action

THIRD AMENDED ORDER

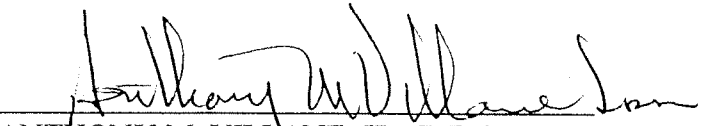

This matter was opened to the State Board of Dentistry (hereinafter the "Board") upon receipt of a letter from Steven Hutt, D.D.S., (hereinafter the "respondent") dated November 1, 1996, requesting modification of the terms and conditions of a Consent Order entered by the Board on April 9, 1991 and amended by Order of May 28, 1992 and April 23, 1993. The application for modification was supported by a letter dated October 28, 1996 from Dennis P. Bohlin, D.D.S., the co-chair of the Bergen County Doctors in AA Monday Night Meeting and a letter dated October 11, 1996 from C. Oestreicher, M.D., respondent's psychotherapist. By the terms of the April 23, 1993 Second Amended Order, respondent was granted leave to seek reinstatement of full prescription privileges after a reasonable period of time provided he continued in psychotherapy and self-help meeting attendance. On December 4, 1996, the Board considered the entire record in this matter. Information before the Board

indicates that respondent has fully complied with the terms of the April 23, 1993 Order. The Board finding that good cause exists for the entry of the within Order,

IT IS on this 22nd day of January, 1997,

ORDERED, that:

1. The license of respondent Steven Hutt, D.D.S. to practice dentistry in the State of New Jersey shall be fully reinstated without restriction.
